

Favorite Son

Genesis 37; Patriarchs and Prophets, pp. 208-212

Is there anything that you really wish you had? Have you ever wanted it so badly that it made you angry because someone else had it and you didn't?

Ten boys wanted what their brother had. They were so jealous of him that they planned something terrible.

Joseph had 11 brothers—10 older and one younger. The older brothers did not like him. They probably left him out of the games they played. They probably didn't take

him with them when they went somewhere. They didn't want to be around him. The Bible says they hated him.

Joseph was Jacob's favorite son. Their father always gave him the best presents. When Jacob made Joseph a colorful new coat, all the brothers were jealous. They didn't think Joseph deserved nicer things than they got.

Joseph's brothers also thought he was proud, which made them even angrier. Once God gave Joseph a dream that he and his brothers had been cutting stalks of grain and tying them into sheaves. Suddenly all of his brothers' sheaves bowed toward his.

Another time he dreamed that the sun, moon, and 11 stars had bowed down to him. His father asked, "Does this mean you will even rule over your mother and me someday?"

Jacob's older sons often took their father's sheep far away from home to find good pasture. They enjoyed being out on their own with no little brother to annoy them. But one day Jacob asked Joseph to find them

and see how they were. Joseph, wearing his bright new coat, went in search of his brothers. They saw him coming.

"Here comes the dreamer!" they said. "Let's kill him and throw his body into a well." They were all alone with the sheep. No one would know what they had done.

The oldest brother, Reuben, disagreed. "Don't kill him," he argued. "Let's not shed any blood. Throw him into this dry well, but don't hurt him!"

The Message

God helps me love my Christian family.

Memory Verse

“Love each other as I have loved you”

(John 15:12).

Reuben knew that Joseph wouldn't be able to get out. The brothers could scare Joseph by leaving him in the well. Reuben didn't want to kill Joseph. He secretly planned to take Joseph out of the well later. Then he would take him back to their father.

So when Joseph arrived, what a shock was waiting! His brothers didn't welcome him. They grabbed him and threw him into the well! Then Reuben left for a while.

Before Reuben returned, a caravan of traders passed by, and the nine brothers sold Joseph to them. He would become a slave.

When Reuben returned, he looked for Joseph in the well, but didn't find him. He tore his clothes to show how upset he was, and went to his brothers. “The boy is gone! What shall I do?” he cried.

So the brothers killed a goat and

soaked Joseph's beautiful coat in its blood. They would tell their father that Joseph had been killed by a wild animal.

Joseph was on his way to Egypt. He would be far away from his father, his brothers, and his lovely coat. What would become of him?

Jesus asks us to love our brothers and sisters. He says this for a reason. Our families fall apart when we don't love one another.

Jesus doesn't want His family—the church—to fall apart. He will help you love your home and church family. Ask Him to help you be loving.
